

Your Employee and Family Assistance Program is a support service that can help you take the first step toward change.

Protecting your well-being during the COVID-19 outbreak

© 2024 LifeWorks (Canada) Ltd. Your program may not include all services described on this website, please refer to your benefit material for more information. For immediate assistance, call 1.844.880.9137.

Protecting Your Well-being During the COVID-19 Outbreak

Physical Well-being

- Wash your hands frequently with soap and water, or use an alcohol-based hand rub.
- Cough or sneeze into your elbow or a tissue. Wash your hands afterwards.
- Regularly disinfect surfaces and objects, such as your desk, keyboard, and phone.
- Avoid close contact with anyone who has a fever, cough, or other respiratory symptoms, such as shortness of breath.
- If you have any concerning symptoms, seek medical care early.

Mental Well-being

- Take a break from the news.
- Practice mindfulness exercises to reduce stress.
- Use technology to check-in with friends and family.

Financial Well-being

- Consider purchasing travel insurance to protect any upcoming trips.
- Pay attention to government travel advisories before booking travel.
- Don't make hasty financial or investment decisions. Talk with your advisor if you have concerns.

If you are struggling with anxiety about COVID-19 or need support, call the assistance program.
